Self-Made Assignment - MS Power Point

Using Slide Master in Power Point

Implementing Slide Master

1. **Open Slide Master:**
 - Go to the **View** tab and select **Slide Master**.
2. **Set the Layout:**
 - Design a consistent layout for title and content slides, including:
 - Font styles and sizes
 - Background colors or images
 - Placement of headers and footers
3. **Insert Elements:**
 - Add your header (e.g., "Growth of Population") and footer (e.g., your name and slide number) in the Slide Master to apply them to all slides.
4. **Close Slide Master:**
 - After setting up the layout, close the Slide Master view.
5. **Create Slides:**
 - Use the Slide Master layout for each of your content slides, ensuring a cohesive look.
