## Self-Made Assignment Power Point

### Using Clipart in Power Point

#### Slide 1: Title Slide

- **Title:** *Current Affairs - September 2024*
- **Subtitle:** *An Overview of Recent Events Around the World*
- **Clipart:** Use a clipart image of a newspaper, a globe, or a TV screen showing the news to set the tone for the presentation.

#### Slide 2: Introduction

- **Title:** *What Are Current Affairs?*
- **Content:**
  - **Definition:** Current affairs refer to events of political, economic, or social importance happening in the present. These can include newsworthy topics like government decisions, global conflicts, scientific breakthroughs, and cultural phenomena.
  - **Importance:** Staying informed about current affairs helps individuals engage in meaningful discussions, understand world events, and make informed decisions as global citizens.
- **Clipart:** Use a magnifying glass over the world or an image of people reading a newspaper.

#### Slide 3: Political News

- **Title:** *Recent Political Developments*
- **Content:**
  - **2024 U.S. Presidential Election:** The upcoming U.S. election continues to dominate global headlines, with major debates surrounding economic policies, healthcare, and foreign affairs.
  - **UN Climate Summit:** Leaders from around the world gathered for the UN Climate Summit to discuss plans to combat global warming, with a focus on carbon reduction commitments.
  - **International Tensions:** Ongoing diplomatic tensions between countries like Russia and Ukraine have led to new sanctions, peace talks, and international interventions.
- **Clipart:** Clipart of a voting ballot, government building, or world map.

Self-Made Assignment Power Point

Using Clipart in Power Point

Slide 4: Economic News

- **Title:** *Global Economic Updates*
- **Content:**
  - **Inflation Concerns:** Inflation remains a major concern globally, especially in the U.S. and European markets, where rising fuel and food prices are impacting household budgets.
  - **Global Trade Agreements:** New trade agreements between countries in Asia and Europe have been established, aiming to reduce tariffs and enhance economic cooperation.
  - **Stock Market Volatility:** Recent fluctuations in the global stock markets are being attributed to uncertainty over rising interest rates and geopolitical issues.
- **Clipart:** Use clipart of a bar chart, pie chart, or money symbols.

Slide 5: Social Issues

- **Title:** *Social Issues Making Headlines*
- **Content:**
  - **Climate Protests:** Activists across the globe are staging protests demanding immediate government action on climate change as weather patterns continue to worsen.
  - **Human Rights Movements:** Calls for gender equality, racial justice, and LGBTQ+ rights are increasing, especially after new policies have been passed in several countries.
  - **Migration Crisis:** Migration continues to be a critical issue, with refugees from conflict zones seeking asylum in Europe and North America, raising humanitarian and political challenges.
- **Clipart:** Clipart of people protesting, holding signs, or a globe surrounded by people.
