Self-Made Assignment -MS Power Point

Creating Photo Album in Power Point

Make presentation using photo album feature.

Slide 1: Title Slide

- **Title:** Understanding Floods
- **Subtitle:** Causes, Effects, and How to Help
- **Image:** A clear image of a flooded area, like a city or countryside. (3 pictures)

Slide 2: Causes and Types of Floods

- **Content:**
 - **Causes:**
 - **Heavy Rain:** Lots of rain in a short time can cause floods.
 - **Storm Surges:** High waves from storms can flood coastal areas.
 - **Melting Snow:** Warm weather can melt snow quickly, leading to floods.
 - **Types of Floods:**
 - **Flash Floods:** These happen suddenly, often in hilly places.
 - **River Floods:** Rivers can overflow when there is too much rain.
 - **Coastal Floods:** Flooding near oceans from storms and high tides.
- **Image:** A collage of pictures showing causes (rain, snowmelt) and types (flash floods, river floods, coastal floods). (5 pictures)

Slide 3: Effects of Floods

- **Content:**
 - **Environmental Effects:**
 - Loss of plants and animals.
 - Damage to soil and water quality.
 - **Economic Effects:**
 - Damage to buildings and roads.
 - Loss of jobs and farms.
 - **Social Effects:**
 - People may have to leave their homes.
 - Higher risk of illness from dirty water.
- **Image:** A series of pictures showing flood damage, like destroyed houses and flooded streets. (4 pictures)

Slide 4: How to Prevent and Respond to Floods

- **Content:**
 - **Prevention Strategies:**

Self-Made Assignment -MS Power Point

Creating Photo Album in Power Point

- **Better Infrastructure:** Build levees, dams, and improve drainage.
- **Natural Solutions:** Restore wetlands and floodplains.
- **Community Plans:** Have emergency plans and educate people.
- **Community Response:**
 - People can volunteer to help during floods.
 - Communities can support those who lose their homes.
- **Image:** A photo album-style grid showing pictures of flood prevention methods (dams, community drills) and people helping each other during floods. (4 pictures)
