Self-Made Assignment - Java Script

Operators in Java Script

Ques 1:- Write a JavaScript program that uses only the logical AND (&&) operator to check if both conditions are true:

- Whether a person is old enough to vote (18 or older).
- Whether a person has registered to vote.

Ques 2:- Write a JavaScript program that uses only the logical OR (||) operator to check if a person can go outside. The conditions are:

- Either it's sunny.
- Or they have an umbrella.
