Self-Made Assignment - Java Script

Popup Boxes in Javascript

1. Write a JavaScript program that uses a confirm box to ask if the user wants to proceed and displays the corresponding message on the webpage.

- A confirm box will appear with: "Do you want to proceed with this action?"
- The webpage will display:

"You chose to proceed: true" (if the user clicks "OK")
or

"You chose to proceed: false" (if the user clicks "Cancel")

2. Write a JavaScript program to ask the user for their name using a prompt box and then display the name on the webpage.

- A prompt box will appear asking: "Please enter your name:"
- After entering the name, the webpage will display:
"Hello, [name entered]!"
