Self-Made Assignment - MS Power Point

Adding Header and Footer in Power Point

 <p><i>GLOBAL WARMING: A CALL FOR ACTION</i> Understanding the Causes, Effects, and Solutions</p>	<p>Slide 1: Title Slide</p>
 <p>What is Global Warming?</p> <ul style="list-style-type: none"> Definition: Global warming refers to the long-term rise in Earth's average surface temperature due to human activities. Key Point: It is driven by the greenhouse effect, caused by gases like CO₂, CH₄, and N₂O trapping heat. 	<p>Slide 2: Title and Content Slide</p>
 <p>Causes of Global Warming</p> <ul style="list-style-type: none"> Burning Fossil Fuels: Coal, oil, and natural gas for energy and transportation. Deforestation: Trees absorb CO₂, and cutting them down increases greenhouse gases. Industrial Activities: Emissions from factories. Agriculture: Methane emissions from livestock. 	<p>Slide 3: Title and Content Slide</p>

Self-Made Assignment - MS Power Point

Adding Header and Footer in Power Point

Effects of Global Warming

- **Rising Temperatures:** Heat waves and global temperature increase.
- **Melting Ice and Rising Seas:** Threatening coastal areas.
- **Extreme Weather:** More frequent hurricanes, floods, and droughts.
- **Loss of Biodiversity:** Threat to plants and animals.

**Slide 4:
Title and Content Slide**

Solutions to Combat Global Warming

- **Renewable Energy:** Solar, wind, and hydroelectric power.
- **Afforestation:** Planting more trees.
- **Energy Efficiency:** Use energy-efficient appliances and reduce waste.
- **Reduce, Reuse, Recycle:** Minimize waste.
- **International Agreements:** Support initiatives like the Paris Agreement.

**Slide 5:
Title and Content Slide**

Conclusion

- **Message:** "Global warming is real, but together, we can mitigate its effects."
- **Call to Action:** "Act now to protect our planet for future generations."

Self-Made Assignment - MS Power Point

Adding Header and Footer in Power Point

Instructions/Task:

1. **Header (Common for All Slides):**

Text: Global Warming: A Call for Action

- Place it at the top center of each slide.
- Use a clean font like Arial or Calibri (size 16-18).

2. **Footer (Common for All Slides):**

- **Left Side:** Your Name
- **Right Side:** Act Now to Save the Planet!

3. Apply **Austin** Theme to all the Slides.
