Self-Made Assignment - MS EXCEL

Inserting Textboxes and Other Files in MS Word

**Title: The Beauty of Nature**

Nature is a masterpiece of colors, sounds, and sensations. From the towering mountains to the deep blue oceans, every element of nature tells a unique story. The lush green forests provide shelter to diverse wildlife, while the serene rivers carve their paths through valleys. Birds chirp melodiously, and the gentle breeze carries the fragrance of blooming flowers. The beauty of nature reminds us to pause, breathe, and appreciate the world around us.

(Insert an image of a beautiful natural landscape, such as mountains, rivers, or forests.)

Add a textbox with an inspiring quote about nature, such as:

*"Look deep into nature, and then you will understand everything better." – Albert Einstein.*

**The Wonders of Space**

The universe is vast and full of mysteries waiting to be explored. From shining stars to distant galaxies, space holds countless secrets. The Moon orbits the Earth, while planets like Mars and Jupiter follow their paths around the Sun. Scientists use powerful telescopes to discover new worlds beyond our solar system. Space exploration has led to remarkable discoveries, making us wonder about the existence of life beyond Earth.

(Insert an image of a galaxy, or an astronaut in space.)

 **Tip:** Add a textbox with an inspiring space-related quote, such as:

*"The important thing is not to stop questioning. Curiosity has its own reason for existing." – Albert Einstein.*
