Self-Made Assignment - MS Power Point

Inserting Tables in Power Point

Make a PowerPoint presentation with 3 slides. Use the examples below or choose your own historical events.

Slide 1 - Title Slide

- Title: *Important Historical Events and Dates*
- Your name
- Class and date

Slide 2 - Table of Historical Events (Detailed Table)

Add a table with 4 columns and at least 6 rows.

Year	Event	Country	Why It Is Important
1776	America became independent	USA	Start of the United States as a free country
1789	French Revolution started	France	People fought for equality and ended the king's rule
1865	American Civil War ended	USA	Slavery was abolished in the United States
1914	World War I started	Many countries	A major global war that changed world politics
1945	World War II ended	Many countries	War ended and United Nations was formed
1969	First person landed on the moon	USA	Big achievement in space; showed human progress in science

- Bold the header row (the top row).
- Use different colors for each row.

Slide 3 - What I Learned from These Historical Events

What I Learned:

- Some events, like the French Revolution, helped people fight for their rights and freedom.
- **World War I and World War II** were very serious events that changed many countries and led to peace efforts like the United Nations.
