## Self-Made Assignment - MS Power Point

### Using Slide Master in Power Point

#### Task:

Make a PowerPoint presentation with 5 slides. Use **Slide Master** to add the same background color, same font style, and your name at the bottom of every slide.

#### Instructions:

1. Open PowerPoint.
2. Go to the **View** tab.
3. Click on **Slide Master**.
4. In Slide Master view:
  - Choose a background color you like (use **Format Background**).
  - Change the font style (like Arial, Calibri, etc.).
  - Add a text box at the bottom and write: "**Created by [Your Name]**".
5. Close the Slide Master view.
6. Now add 5 slides. You will see the same background, font, and name on every slide!
