Self-Made Assignment - Computerized Accounting in Tally

Attendance And Production Type in Tally

Create the following Attendance/Production Types in Tally:

Question 1. Create a payroll setup in Tally with the following salary structure:

- Basic Salary: ₹20,000/month
- Overtime Rate: ₹100/hour

Assume the employee worked 10 hours overtime. Record this in Tally using Production Type - Overtime and generate the payroll.

Question 2. Basic Salary + Overtime

- Basic Salary: ₹20,000/month
- Overtime Rate: ₹100/hour

Assume the employee worked 10 hours overtime.

Question 3. Basic + Allowances + Deductions

- Basic Salary: ₹15,000/month
- HRA: ₹5,000/month
- Provident Fund (Deduction): 12% of Basic Salary

Question 4. Incentive + Overtime Pay

- Basic Salary: ₹12,000/month
- Incentive: ₹1,000 fixed if present for more than 25 days
- Overtime Rate: ₹150/hour, worked 8 hours overtime
