Self Made Assignment - Computerized Accounting System

Create Payroll Unit

Create a Simple and compound Payroll Unit in Tally:

Question 1:

You are working as a payroll intern at SunRise Textiles Ltd. The company pays its employees based on hours worked. Your manager has asked you to create a Simple Payroll Unit in Tally for managing employee work hours.

Use the following data to create the unit:

- Symbol: Hrs
- Formal Name: Hours
- Number of Decimal Places: 2

Question 2:

You have joined as a trainee accountant at BrightMinds Tutoring Services. Employees are paid based on the number of sessions they conduct. Your supervisor has asked you to create a Simple Payroll Unit in Tally for this purpose.

Use the following data:

- Symbol: Sess
- Formal Name: Sessions
- Number of Decimal Places: 0

Question 3:

You are working at BuildPro Construction Ltd. where employees are paid based on hours worked per day. Each day includes up to 8 working hours. Your manager has asked you to create a Compound Payroll Unit to track daily work accurately.

Use the following data:

- First Unit (Base): Hr
- Formal Name: Hours
- Second Unit: Day
- Conversion: 1 Day = 8 Hr
- Number of Decimal Places: 2
