## Self-Made Assignment - CorelDRAW

### Understanding and Exploring the CorelDRAW Interface

#### 4. Duplicate and Arrange

- Make 10 cards total (5 in each row × 2 rows)
- Use Ctrl + D to duplicate
- Spacing:
  - Horizontal gap: ~20 px
  - Vertical gap: ~30 px
- Use Align & Distribute tool for even spacing

#### 5. Add Text to Each Card

- Use the Text Tool (F8)
- Font: Poppins, Arial, or any clean sans-serif
- Font Size: 14-16 px
- Text Color: White (#FFFFFF)
- Center align the text in each card

#### 6. Optional: Add a Background

- Use a light or white background behind all cards for a clean layout

#### 7. Save & Export

- Save as .CDR file for editing later
- Export as .PNG or .JPG for image output
