Self-Made Assignment - Visual Basic

Interface Designing

You have to create this assignment in VB 2022.

Create a Windows Forms application in VB.NET 2022 that meets the following specifications:

- Change the form title from the default Form1 to "Welcome to My Vb"
- Set the background color of the form to Light Blue.
- Add a Button to the form with the following properties:
 - The text of the button should be "OK".
 - The text color (Fore Color) of the button should be Grey.
- Disable the maximize button so the window cannot be maximized at Runtime
