**Different Views in Power Point**

**RIGHT AGAINST EXPLOITATION CONTENT**

- This right protects people from being used or forced to work in unfair conditions.
- No forced labor: No one can make you work without your permission or for unfair wages.
- No child labor: Children under a certain age cannot be forced to work.
- No human trafficking: This right stops people from being sold or used like property.

**Slide 6: Title and content**

**RIGHT TO EDUCATION**

- Every child has the right to go to school and get an education.
- The government must provide free education to children up to a certain age.
- Education helps children learn and grow to become successful adults.
- It is important for building a better future for both individuals and the country.

**Slide 7: Title and content**

**CONCLUSION**

- Fundamental rights are there to protect our freedom and dignity.
- These rights are for everyone, regardless of their background.
- It is important that we respect these rights and ensure they are followed.
- When everyone's rights are respected, the country becomes a better and more peaceful place to live.
