## Self-Made Assignment - MS Power Point

Save a Presentation as PDF, as Video and Image in Power Point

### Instructions/Tasks:-

1. Apply "Calibri" font style and font size "28" in all slides
2. Convert this slides Normal View to "Reading View"
3. Apply "Facet" theme in all slides
4. On Slide 1 in Subtitle Add text "Prepared by "[Your Name]"
5. Save this PowerPoint Presentation in a PDF Form with the name of "Globalization and its effects"

 <p><b>Globalization</b> And its Effects</p>	 <p>Slide 1: Title Slide</p>
 <p><b>Meaning of Globalization</b></p> <p>Globalization refers to the increasing interconnectedness and interdependence of countries through various aspects like trade, investment, culture, and technology. It facilitates the flow of goods, services, capital, and information across borders, leading to a more integrated global economy and society. Globalization has both positive and negative effects, impacting economies, cultures, and societies worldwide.</p>	 <p>Slide 2: Title and Content</p>

### Positive Effects

- ▶ **Economic Growth**:-Globalization fosters economic growth by increasing trade, investment, and access to new markets.
- ▶ **Increased Competition**:-It exposes businesses to greater competition, potentially leading to lower prices and higher quality products for consumers.
- ▶ **Technological Advancement**:-Globalization facilitates the rapid transfer of technology and knowledge across borders, promoting innovation and productivity.
- ▶ **Job Creation**:-It can lead to job creation in developing countries through foreign investment and access to global markets.

Slide 3:  
Title and Content

### Negative Effects

- ▶ **Job Displacement**:-In developed countries, globalization can lead to job losses in certain industries as companies move production to countries with lower labor costs.
- ▶ **Income Inequality**:-Globalization can exacerbate income inequality within and between countries, as some benefit more than others.
- ▶ **Environmental Degradation**:-Increased production and consumption associated with globalization can contribute to environmental problems like pollution and climate change.
- ▶ **Cultural Homogenization**:-The spread of global culture can lead to the erosion of local traditions and cultural diversity.

Slide 4:  
Title and Content

### Conclusion

The impact of globalization is complex and depends on how nations and individuals adapt to its opportunities and mitigate its risks. a successful globalization model requires addressing these inequalities and ensuring a more inclusive and sustainable future for all.
