Self-Made Assignment - MS Power Point

Groups And Ungroup Objects in MS Power Point

ABSTRACT LOGO

• An abstract logo is a type of logo design that uses shapes, forms, and colours to create a symbol that doesn't directly represent a real-world object but conveys a brand's essence, values, or identity in a unique and creative way.

Slide 5. Title and Content Slide

1. Make this Abstract Logo using Shapes.
2. Select all the shapes one by one. Select the first shape then press and hold the shift key and then select the another shape.
3. When you select all the shapes that used to make a Abstract Logo. Click on Format Tab from the Arrange Group click on Group Option.
4. Press Ctrl + D for Duplicate and arrange in 4 corner as shown.
