<p align="center">MAIN MOTIVE OF MNC COMPANIES IN THE WORLD</p> <p>The primary motive behind the existence and expansion of MNCs is to maximize profit, but this is achieved through a combination of strategic objectives. MNCs leverage international opportunities to grow their market share, reduce operational costs, innovate, and stay competitive in an increasingly globalized economy. They also play a significant role in shaping the global economy through their investment, employment generation, and influence over international.</p> <p>Key Motives of MNCs:</p> <ul style="list-style-type: none"> • Profit Maximization • Market Expansion • Cost Efficiency • Risk Diversification • Innovation and R&D • Tax and Regulatory Benefits • Brand Globalization <p align="right">9/29/2025 6</p>	<p align="center">Slide 6: Title and content Slide (Main motive of establishment)</p>
<p align="center">CONCLUSION.....</p> <p>In today's world, successful MNCs are those that balance profit-making with ethical practices, sustainability, and corporate social responsibility. As global citizens, MNCs are expected not only to grow economically but also to contribute positively to the communities and environments in which they operate.</p> <p>In conclusion, the motive of MNCs goes beyond just earning revenue — it is about building a lasting global presence, delivering value to diverse stakeholders, and shaping the future of international business and cooperation.</p> <p align="right">9/29/2025 7</p>	<p align="center">Slide 7: Title and Content slide (Conclusion in respect to the topic)</p>
