Self-Made Assignment - MS Power Point

Inserting Media In PowerPoint

**Positive and Negative Impacts by
using "social media"**

Good Things About Social Media

1. Stay in Touch:- Helps friends and families talk, even if they are far away.
2. Share Ideas:- People can share their thoughts, art, and music.
3. Learn New Things:- There is a lot of information available.

Bad Things About Social Media

1. Feelings and Mental Health:- Some young people feel sad or stressed when they see pictures that look perfect.
2. Mean Comments:- Some kids get hurt by unkind messages from others.
3. Too Much Time Online:- Spending too much time on social media can take away from schoolwork and real-life fun.

Slide 3:

- Comparison slide
- Write good things and bad thing about social media

**Using Social
Media Wisely**

1. Set Limits:- Try not to spend too much time on social media each day. Example:- Limit to one hour after school
2. Follow Positive Accounts:- Choose to follow people who make you feel good. Example:- Follow artists, teachers, or funny accounts.
3. Talk About Your Feelings:- If social media makes you feel bad, share your feelings with someone you trust. Example: Talking to a friend can help.

Show a short video of people using social media apps.

Slide 4:

- Content with caption Slide
- Write following text inside the slide
- Download a short video of Social media and insert in this slide
